Details	Richard A. Girouard's final wish was to have the Patriot Guard Riders attend his interment service. The family of Mr. Girouard has invited the Patriot Guard Riders to honor his memory and service to our Country and honor his final wish by standing a Flag Line at his interment service.

Riders will stage at DFW National Cemetery Visitor's Center for the mission briefing. At that time, four honor bikes will be identified and moved to the staging lane to accompany the procession. The remainder of the riders will proceed to the designated committal shelter,

establish the Flag Line, and prepare to receive the family and friends of Mr. Girouard.

The Patriot Guard Riders have been asked to serve as pallbearers. This will also be a two casket service as Mr. Girouard's wife passed away a couple of days prior. At the conclusion of the service, and when directed by the MRC, the riders will return the flags to storage, be debriefed and dismissed.

***** SAFETY NOTICE *****

Before volunteering and/or attending any North Texas Patriot Guard Riders missions we encourage you to review all safety information below.

Included are some potential safety concerns to be aware of, however this does not include the full scope of all potential hazards.

Anyone attending any North Texas Patriot Guard Riders mission understands that they do so at their own risk.

Funeral Processions/Escorts

EVERY RIDER IS SOLELY RESPONSIBLE for their own safety at all times while riding in a funeral procession.

At NO TIME are any riders authorized to block any intersection or otherwise block or impede traffic laws in any way. Only Law Enforcement officials are authorized to block and/or impeded the lawful flow of traffic.

If you choose to fly a flag on your bike you are SOLELY RESPONSIBLE for ensuring it is secured and not a danger to any other rider or traffic.

High Temperatures

It's every RIDER'S PERSONAL RESPONSIBILITY to hydrate prior to attending a mission.

Begin drinking water the night before. Drink water when you wake up and continue drinking water all day to ensure your body stays hydrated.
